A significant historical item used on the day of the Great October Revolution (on 7 November 1917, Vladimir Lenin led his revolutionaries in a revolt against the ineffective Provisional Government), Russia was still using the Julian Calendar at the time, so period references show a 25 October date. The October revolution ended the phase of the revolution instigated in February, replacing Russia's short-lived provisional parliamentary government with government by Soviets, local councils elected by bodies of workers and peasants)	1,500.00

**INDIAN NATIVE FEUDATORY STATES - JAMMU & KASHMIR**

- 1191 ★(★)✉ 1866-1894 reference collection assembled by C.H. Mortimer, two volumes on pages and additional stock book, 2,500+ items, including used and unused "private forgeries", reprints, forgeries to defraud the revenue (postal forgeries), forgeries for collectors, "Brighton forgeries", including native laid paper and watercolors, covers, blocks of four and larger, including sheets (all counted as single items). Many of the forgeries were produced shortly after the original stamps were issued, some are impossible to distinguish from the originals, hence many question marks are noted throughout. There are also official reprints (1886-1888), with officials and proofs, as well as "modern" forgeries produced prior to 1894 and sold to the public at the Kashmir State Post Offices. The collection is well annotated, with references to Masson, Col. Edward Evans, Sefi collections and others. A remarkable collection ..... 10,000.00
