Accompanied by a 2004 SBPV/ASEP (Swiss Association of Philatelic Experts) from Alain von der Weid ("neuf et gomme d'origine, cette emission est rare avec gomme assez frais de couleur, papier sans defect et en normal etat de conservation et sans defect")(unused with original gum, this issue is rare with gum, fresh color, faultless); and 2013 Jean-Claude Marchand certificate which states that "the stamp has a slightly faded colour, possibly due to some chemical alteration, the gum can also not be guaranteed to be original.
