Geo. W. Warton Esq.
Dear Sir

Dear Sir,
I have aempt for your att-
2 communicate to the Directors of the Charle-
town Prison my grateful acknowledg-
ments for the honor conferred on the oc-
casion to deliver a Lecture before that institu-
tion.

Now, I have some hesitation about accepting this invitation, tho' I fear that the state of my health may prevent my fulfilling it. I should be unwilling at so short a notice, to feel obliged to write a letter, during the winter months, tho' I fear I should not meet even moderately flattering on the part of you & city, I could not, however, be prepared until the close of your course, or near to that period. In time may perhaps be definitely fixed, for further communication. In the mean time, I should not be able at this moment, vainly to designate if decided, I care in you, as soon as I have decided it. If there are special reasons for postponing, I probably, could decide without much delay.
